

Let's make some Noodles with FunDough!

Let's make some yum noodles from Fundough Noodle Party. You could now make a bowl of various delicious noodles of your own choice, it could be Spaghetti, Fettuccine or Rotini served with some freshly moulded pretend veggies and spice it up with the spice shaker. Now, let the Fundough Noodle Party begin !

Contents :

1. Noodle extruder unit	1 no.	3. Bowl	1 no.	8. Spice shaker	2 nos.
a) Base	1 no.	4. Plates	2 nos.	9. Fundough tubs	4 nos.
b) Body (with 2 legs)	1 no.	5. Fork	2 nos.	(75g each)	
c) Plunger handle	1 no.	6. Spoon	2 nos.		
2. Noodle stencils	3 nos.	7. Fundough knife	2 nos.		

Assembling The Noodle Extruder :

1. Take the noodle extruder body and attach the legs into the inserts on the base. (See Fig.1)
2. Tilt the plunger handle in an angle and slowly insert it into the hole on back of the body and lock it firmly. (See Fig.2)
3. Now, rotate the plunger in an anti clockwise direction until it is screwed back to reach the tip of the back cap.
4. Screw open the front cap on the extruder unit and place the dough of your favorite colour in the container. (See Fig.3)
5. Place the container with the front cap, back into the extruder and turn it an anti clockwise direction to firmly lock in its place. (See Fig.4)
6. Select any one stencil from the 3 stencils provided to make the noodle of your choice.
7. Now, slide the stencil in the slot provided in the front cap of the extruder. (See Fig.5)
8. Place the bowl in the front of the extruder unit to collect the extruded noodle. (See Fig.6)

Making The Noodle:

1. Rotate the extruder handle in a clockwise direction to extrude the noodle slowly. (See Fig.7 & 8)
2. Use the Fundough knife to cut the noodles at a desired length. (Fig.9)

Fig.7

Fig.8

Fig.9

Making The Toppings :

1. Make a small ball of dough and place it over the desired pretend vegetable(s) and press it into place. (See Fig.10)
2. Remove the extra dough using the Fundough knife. (See Fig.11)
3. Now, using a small ball of dough gently press on the placed dough and gently remove it from the cavity. (See Fig.12)
4. Create all the other pretend vegetables in a similar fashion.

Presenting Your Noodle :

1. Now, use the plates provided to present your noodles.
2. Place toppings with the dough vegetables you had created. (See Fig.13)
3. Place the spoons, forks, knives and the spice shaker for additional role play and fun. (See Fig.14)

Now, you are all ready to become a noodle master!

Please note:

- Clean the dough container after use or else the dough will get dry and eventually gets hard and unusable.
- Do not extrude hard dough.
- Keep the dough tub closed after use.
